

Path sampling and the OpenPathSampling LAMMPS interface

David W.H. Swenson
University of Amsterdam

LAMMPS for molecular dynamics simulations:
From development to applications
ENS Lyon, France; 26 June 2018

Funded by the EU (Project n°676531)

www.e-cam2020.eu

Outline

- The Problem of Rare Events
- Path Sampling
- Understanding Cancer-Causing Mutations
- OpenPathSampling and LAMMPS
