OpenFE software stack

|	
openfecli	End users
openfe fah-alchemy	Developers / Advanced End Users
gufe	Developers

- simple CLI for end users

- (will) allow easy 1-liners for easiest and most common needs

- no intention that it will ever provide the flexibility of the full Python library

OpenFE software stack

openfecli		End users
openfe	fah-alchemy	Developers / Advanced End Users
gufe		Developers

- not part of Open Free Energy (external member of ecosystem*)

- using Folding@Home network for drug discovery

- to be the basis of the next round of the COVID moonshot project
